ISA Karnataka Virtucon 2020

Guidelines for E Poster Presentation- Case Report

1. The recorded presentation video must be sent before 4th December 2020.

   Kindly click here for the instructions, before recording the presentation video.

2. To know how to record the presentation video. Click here

3. Presentation as PPT is allowed with the duration of video of PPT with speaker restricted to **3 mins ONLY.** Anything more than this duration will be considered as *invalid presentationand Certificate will not be issued*.

4. The discussion will be live during conference: you have to be present at the allotted time, after your presentation is streamed during the actual session on designated day.

5. **Academic Aspects:**

   Title Slide: Should include a complete,concise, informative and relevant, title including the names of the authors. Do not use words such as case report, case series, first report etc

   Introduction: To contain background as to why the case report is interesting and provides a short focus on the case report.

   Case Report: Should be presented in chronological order of events so that conclusions drawn can be elucidated.

   Discussion: Summarise key findings and comparison with previous knowledge.

   Conclusion: To be brief and relevant lesson learnt.

   References: Two relevant references (ONLY TWO) to be added
